### **The WaterCampus Leeuwarden will be present at the Netherlands Pavilion and we cordially invite you:**

-  To visit us at SIWW, Basement 2, Booth M32-42
-  To meet us, get inspired and learn about the opportunities of the WaterCampus
-  To stay connected and meet us again at the European Water Tech Week in Leeuwarden
-  To come to our network reception at the Netherlands Pavilion

Water Alliance is a unique partnership of public and private companies, government agencies and knowledge institutes involved in the Dutch water technology. We focus on innovative and sustainable water technology that can be used worldwide and support enterprises in the water technology industry in terms of (international) matchmaking, networking and business development.

Water Alliance is partner in business at WaterCampus Leeuwarden. WaterCampus Leeuwarden stimulates cooperation between (inter)national businesses, educational institutes and governments within the water technology sector, in order to create synergy for world class innovation, education and entrepreneurship. This strengthens the global position of the European water technology Hub.

Organised in collaboration with the Netherlands Water Partnership, Water Alliance and ENVAQUA we invite you at the:
